Instructions about Application

Applications to the Master of Fine Arts in Artistic Research programme at Malmö Art Academy take place in two steps. First on Universityadmissions.se and then in the Malmö Art Academy application portal where the research project can be uploaded. You need to complete both steps in order for your application to be processed.

1. Application at Universityadmissions.se
   Visit www.universityadmissions.se and follow the instructions carefully. In order to find the programme quickly, enter programme code LU-82601 in the search field. Do not forget to choose Autumn 2020 as an option.
   You will receive a confirmation of your application via email. Please save your confirmation! Take note of your application number and continue with the second step.
   You need to fill in the application number in the electronic application form in step 2 in order to link your application at Universityadmissions.se with the research project you upload in the Malmö Art Academy application portal.

2. Upload your research project in the Malmö Art Academy application portal
   You need to register in the Malmö Art Academy application portal in order to upload your research project: http://www.khm.lu.se/en/studies/application.

   When you have registered as an applicant you will receive an email including login information and a registration number. Note that this registration number is different from the one you received at Universityadmissions.se. In the email you receive there is a link to an electronic application form in which you fill in your complete personal details and attach the research project.

   The application must also include a text with a presentation of your artistic orientation, your supplementary documentation including samples of artistic work (photographs, videos and/or sound files, context, background data or ideas, etc) and a personal statement of why you are applying to the programme and to Malmö Art Academy. The application must also include at least one (but preferably two) letter of recommendation from teachers or tutors from previous art schools. The application can also be accompanied by other relevant documents like texts related to your artistic work etc.

   All supporting documentation is to be scanned and uploaded in the application form. NB! This does not refer to the formal grade transcripts, certificates, documents etc already uploaded or sent to University Admissions (see step 1).
If you wish to upload supplementary documentation like photographs, videos and/or sound files in connection to your research project please read the following instructions.

Supplementary documentation

A. General instructions
- An application must contain an uploaded research project, a personal statement and relevant appendices. In addition, you have the possibility to upload supplementary documentation. A completed online application including the research project is to be uploaded in the Malmö Art Academy application portal after registration at http://www.khm.lu.se/en/studies/application. Remember that all supplementary documentation must be well documented and accompanied by a detailed description.
