DISCUSSION:

1. Discussion regarding the 3D printer and its new location. It will probably be moved to the small lecture room at Båghallarna.
2. A new 3D makerbot printer is going to be bought in addition to the current one.
3. A sony A7iii camera will be purchased to the school. Three lenses is being considered, preferably three primelenses. 35, 50 and 75mm
4. For the soundstudio at Dimman an Ableton Push Midi controller will be purchased and Ableton upgraded to Suite.
